

OK Structures Portable LLC Customer Financing Application.

We are currently approving and funding more customers than any other customer financing lending option in the shed industry.

- Approvals up to \$100,000
- Terms up to 20 years
- Approving FICO scores as low as 550

Finance projects include tiny homes, sheds, portables, metal, cabins, gazebos, barns, greenhouses, garages, carports, landscaping, and more.

We continue to do all of the financing for you, the builder/dealer, at no cost to help you increase your sales immediately through financing. All you need to do is add [this](#) link to your website under an "Apply Here For Financing" button or text/email the link to your customers so they can apply, and we will be notified of their approval in minutes.
